Subject: Regarding seeking advice of Information Technology Department in I.T. Projects.

Sir,

It has been observed that some of the departments are implementing IT related Projects on their own without seeking advice from IT Department. This resulted in the creation of island of computerization and lacks harmonized approach amongst the departments/ organizations.

This matter has been reviewed in the meeting of Committee of Secretaries held on 15-7-2006 at 11.00AM under the chairmanship of Chief Secretary to the Government of Himachal Pradesh and decided hence to forth it will be mandatory for every department to seek advice of IT Department before proceeding further for the implementation of IT related projects.

The advice of IT Department will be mandatory for the execution of IT Projects by all the State Government Departments/ Boards/ Corporations and this may be implemented in letter and spirit.

Yours faithfully,

bs
